Legislative Branch

Legislative Services

Program Results and Effect:

The mission of the Legislative Service's Office is to modernize the provision of professional staff services to the Legislature, to provide committees and legislators with professional staff support, to increase communication and efficiency, and enhance coordination and productivity within the Legislative Branch of government. Under the direction of the Director of Legislative Services, the office consists of the Research and Legislation section, Budget and Policy Analysis section, the Legislative Audit section, and the Network Administration section.

-All measures are reported beginning in FY 1996 when the strategic planning act required all agencies to report on the actual results of selected performance standards.
